Fall 2017 - Volunteer Opportunities with Terps Recycle

Sustainable Tailgating at UMD Football Games

Description: The UMD Recycling Team is seeking volunteers for the 2017 Football season to help distribute waste collection bags. This year, we are concentrating our recycling efforts in parking lots and reaching out to tailgaters to encourage maximum recycling participation. We need volunteers to greet folks entering parking lots around campus, hand out bags for recycling and trash, and explain what to do with the bags when tailgating is finished.

Dates: 9/9, 9/23, 10/14, 10/28, 11/11, 11/25

Times: Report time for volunteers will be dependent on the games’ start times.

Duration: Approximately 4 hours (starting 4 hours prior to kick-off and ending and the end of the first quarter)

Drive to Zero Waste Peer Educator at UMD Football Games

Description: To support the University’s Drive to Zero Waste, volunteers are need to assist fans with waste separation and disposal within Maryland Stadium. To accomplish this, volunteers will stand at the triple-sort waste bins and help fans determine what waste items are compostable, recyclable, or trash.

Dates: 9/9, 9/23, 10/14, 10/28, 11/11, 11/25

Times: Report time for volunteers will be dependent on the games’ start times.

Duration: Approximately 4 hours (starting at the beginning of the game and ending once the majority of the fans have exited the stadium)
